A black and white line drawing of three young women. One woman is in the foreground, looking down and to the left. Two other women are behind her, looking towards the right. The drawing is minimalist, using only outlines. The word "JUNIORS" is written in a bold, sans-serif font across the middle of the image, partially overlapping the women's bodies.

You've come a long way, baby,
now use it.
You've had to meet and live with
people you never saw before you came
to this campus on the hillside.
You've faced disappointments, and joyful
moments, laughed and cried,
spent hours with frustrating problems,
made memories with friends, and sat
in the silence of an empty dorm at
5:00 on a Saturday night.
The books are important, but the major
changes have taken place
within you.

We had to face a new world as freshmen, and
in four years
we have all developed, changed, and
experienced
the different facets of life.
We've come a long way, Baldwin.
You have given us a jumping off point to
the world.

We've come a long way,
now, watch us use it . . .

We're the class of 75 . . .

"When it's night we come alive..."

(Sophomore Show and Apple Day)

"Rye or Scotch, or Rum or Gin,
it matters not,
We get it in ..."

(Junior Dad's Day '75, October 27, 1973)

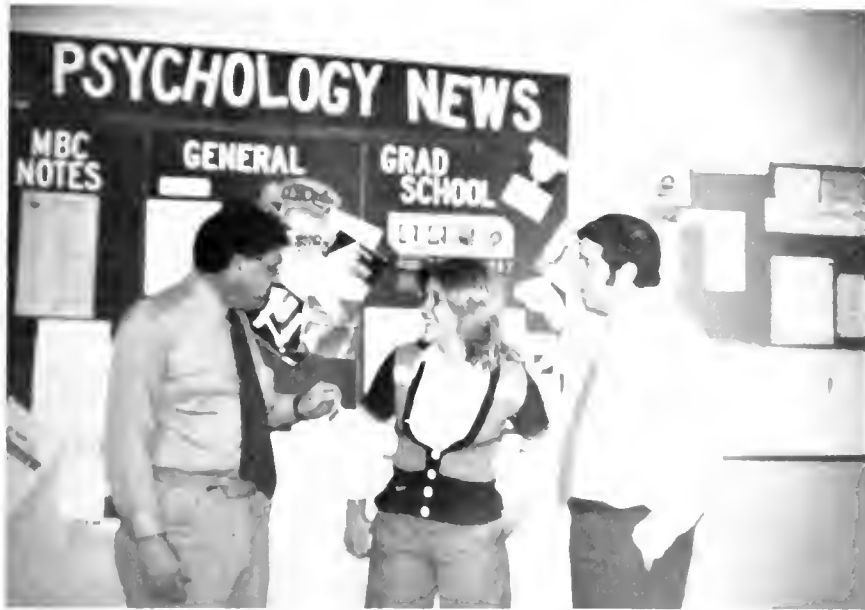

"...We've got the Men,
We've got the Booze..."

"With looks like ours
How can we lose?"

...for The Best we'll always strive

1975 ”

In remembrance to those
who have climbed
the same steps as we,
but are no longer
with us ...

Living Music

*Singing in silence,
my blood in concert,
a melodic pattern
streaming through the body chamber,
warm rhythms continually stirring
me to play my dancing music.*

Debby Davies

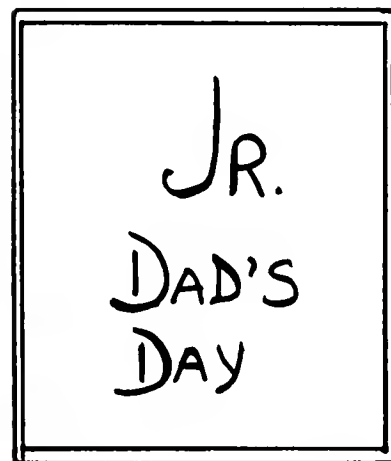

What a lovable day it was-
I took the wind as partner
in a joyful dance to
radiance...

to forget,
if only for a little while,
the shadow of my responsibility...

Debby Davies

MALTA 1975

REYNOLD'S
wraps it up!

Graduation

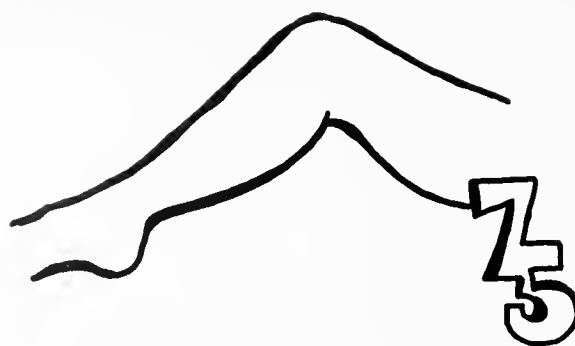

I am in a state of suspension whenever thoughts of the future begin to encroach. Living by the day releases the swing by degrees with a jerk forward to tantalize me toward the next one.... And what of the length of the rope? Sufficient, I'll wager-

Debby Davies

The 1975 Bluestocking
was compiled
with the aid of many...
especially

Bob Boe of Josten's American
Yearbook Company,
without whose patience & technical assistance this book
would have not been printed...

The staff, especially the section editors, Mary Lea Snyder,
Robin Neel, and Donna Neudorfer, Sally Deering, and Sarah Sprattling.

Thanks also to Betsy Hiller, Hilda Livingstone, Robin Boyd,
Jeanie Perry, Kathy O'Neill, Anne Whaley, and Wright Bush (the),
and Debby Davies for their artistic contributions.

Thanks to the Physical Plant Staff for moving the office from under
Hilltop into Administration when the steam pipes blew out in January.
Bob Lewellyn of Charlottesville for color pictures, and George Meadors
of Graham Studio's for class and Organization photos.

Thank you J. J. Hainer, the advisor who finds spelling
mistakes... and to those who did the millions of little things to help;
AT., P.J.C., AA., S.M. (directory), SK., P.², KAK. & L.B., J.G.

MANY THANKS TO ALL.

Most of all to my co-editor who is now working on another
Section. Without those Dawutking trips, frozen D's, clock-
radios, smiles, last minute ideas, Monday deadlines, lost
pictures and "ladders" it would have been a duller job! Thanks
Carroll Belser for a fun time... Co-editor, Charlotte Reithel '75

You have been a part of the
Class of '75,
and now you leave MBC with us.
We all know of you, and many
have had a
"Campbell Course".
Thus, this yearbook is dedicated to you
John Campbell,
Best of luck in all you do...

Our F&M bankers went to school, too.

So besides our
regular checking,
savings, loans and
such, we're well
attuned to special
student needs.

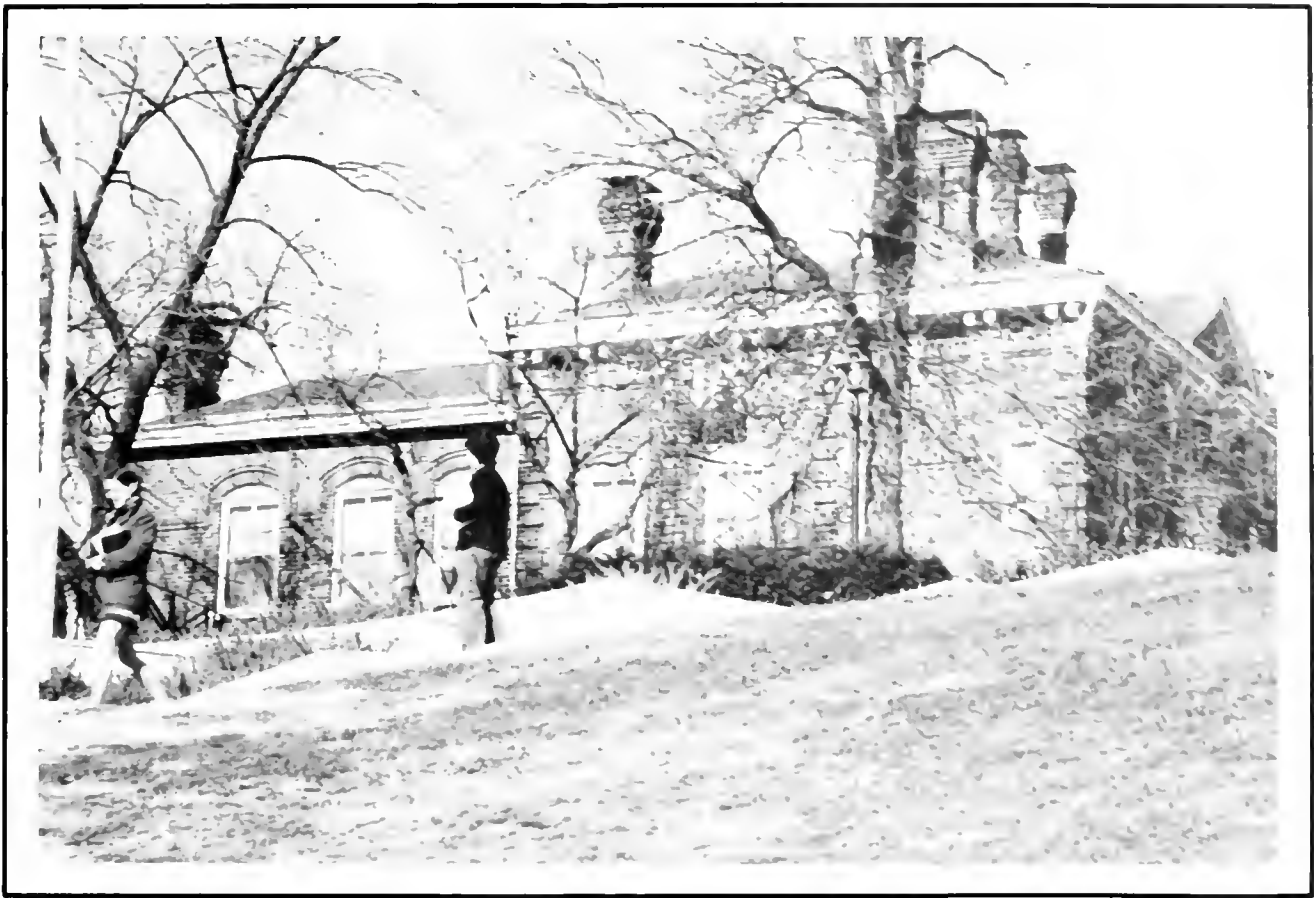

Like parent/student joint
checking or savings, education
loans and the like.

At F&M we have a special
interest in students. Because a
lot of them turn out to be our
best customers.

And some turn out to be
our best bankers, too. First &
